TO WHOM IT MAY CONCERN -

Dear Giulio,

I sincerely thank you very much for your effort to complete the project on time.

We are more than happy about the service provided by Palumbo Shipyard in Marseille. we knew that the challenge would be hard and complex, tight deadlines, complex technical solutions to be found but thanks to your guide, your experience and your ability to lead a close-knit team of serious professionals we managed to complete the project with the total satisfaction of the class, management and crew.

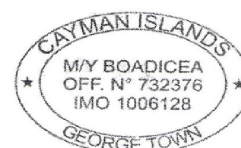

I will recommend your shipyard and to turn to you to anyone who asks me for seriousness, reliability and yaching competence.

Yours truly

Captain Luca Mosca
