TO WHOM IT MAY CONCERN

REFERENCE: GIULIO MARESCA

Dear Sirs,

It was my pleasure to work with Giulio when we docked M/Y Esmeralda for repair work at the Palumbo Floating Dock in Naples early in September this year.

Although our dock period was short I found Giulio to be efficient and skilled in his work. He also responded well when required.

I wish him the best of luck and opportunity with his future career.

With my best regards,

Capt. Mike Spiller

Master M/Y Esmeralda
