TO WHOM IT MAY CONCERN

Motor Yacht Gforce was introduced to PALUMBO SHIPYARD for emergency works in Spring 2017.

I was pleased with the pre arrival organisation and services rendered thereafter as it was professional from start to end! Nothing was ever a problem and our project manager was with us all along and until late on many days too.

I will certainly consider PALUMBO SHIPYARD in the near future for full dry dock works and recommend equally to other yachts the same.

Yours truly
