To whom it may concern

M/Y WHEELS completed her docking survey in Palumbo shipyard. Additional to that we had quite a few other maintenance and cosmetic items that we had to take care of

We found the shipyard to be very well organised and a pleasure to work with. Contractors were managed well and the jobs were complete once we left the shipyard. We found our project manager to be well organised and always had a "Plan B".

Thank you Palumbo.

Ashleigh Moolman

Captain M/Y WHEELS
